

**Is your Research Project finished
or close to being finished?
Will it be completed in 2018?**

● **To Enter...**

-Produce a one-minute video

Your objective: Explain why being selected as a Masterclass participant would be an important "next step" for you....

1. Begin the video by communicating your RP's key findings - what you now know!
2. Outline and describe how your RP key findings relate to one (or more) of SAHMRI's 7 themes.
3. Do your best to convince the SAHMRI researchers that you want to know more!

...All in one minute!

● **How to submit...**

Once you make your video, either you or your teacher needs to email :

asrtsa@gmail.com

Then an invitation to submit to DROPBOX will return within 24 hours

Videos will be judged by a joint panel of Research Project teachers and SAHMRI representatives. – If you've got what it takes, it's on to the next steps!!!

● **What awaits you**

The Masterclass will occur on December 4th: there will be a maximum of fourteen places available. Your experiences with SAHMRI will be the ultimate way to explore, enrich, and engage in your field of new expertise. Good luck!
